

FORD ACCESSORIES

for your
FALCON
FAIRMONT
FAIRMONT GHIA

Helping you enjoy the Good Life!

Owning a brand new car can be quite a thrill. Particularly when it's a new Falcon GL, Fairmont, or Fairmont Ghia—because each of these models is designed to provide you with a high level of driving enjoyment, comfort and equipment. In this catalogue, you'll find items which are intended to add to your enjoyment, comfort, and the value of the model you select.

Each item may be purchased and installed by your Ford Dealer. Many you may be able to fit yourself. All are high quality accessories, made to high engineering standards. So read on, select...and enjoy the Good Life.

Shown on front cover: Falcon GL Sedan fitted with the following Accessories: Front Spoiler, Bumper Guards, Headlamp Guards, Long-Range Driving Lights, Number Plate Frame, Weathershield, Alloy Sports Road Wheels, Mud Flaps and Rear Venetian Shade.

1. Tow Bars. Specially engineered for your Falcon/Fairmont Sedan or Wagon for light-duty towing. Heavy-duty construction. Recommended for towing capacities up to 907 kg. (2000 lbs). Painted or chrome ball-mount tow bar brackets are also available.

2. Exterior Rear-View Mirrors. A 'must' if you are towing wide or long objects such as caravans and boats. Available for both driver's and passenger's sides. Easily adjustable for good rear-ward viewing. Easy to fit, and remove.

3. Light-Duty Tow Bar Ballmount. Convenient for light-duty towing (up to 907 kg.) when you have a Class II tow pack installed on your vehicle.

4. Number Plate Frames. Corrosion-resistant aluminium with a polished finish for good looks that really dress

up your number plate. Frame fits easily around edge of plate. Available for front only on Sedans, front and rear on all other models.

5. Alloy Sports Road Wheels. Strong, high-performance wheels which add a very distinctive, sporty 'road car' look to your Falcon. Special locking nuts to help protect against theft are available as a separate accessory.

6. Long Range Driving Lights. Quartz-Halogen-Carello-European design. Really help night driving, particularly on highways, curves and unfamiliar or badly lit roads. Also add a sporty touch to your new car's styling.

7. Exterior Sun Visor. Specially styled and designed to complement Falcon's clean, new styling. Helps protect eyes from overhead glare.

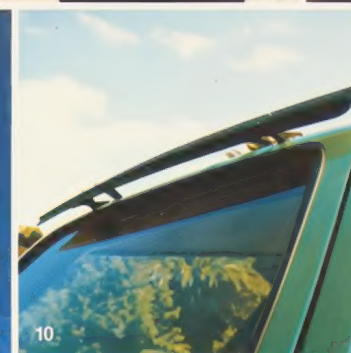

8a. Trailer Wiring Kit. Comprises connection for trailer or caravan

brakelamps and turn indicators. **8b. Trailer Wiring Adaptor.** Provides for conversion from 7 pin to 5 pin type connection.

9. Weather Shield. Enables you to drive more comfortably with the window down. Available in Tinted Green, Grey or Clear for driver's side. Tinted Green for passenger side.

10. Bumper Guard Kit. Provides added protection against minor knocks in parking spots and bumper-to-bumper traffic. Made from solid energy-absorbing rubber. Can be fitted to both front and rear bumpers.

11a/b. Mud Flap Kit. These effective splash guards are mounted behind wheels to help deflect water, mud and stones hurled up by tyres. Weather-resistant. Recommended for front and rear wheel arches.

More Accessories for 'you and yours'...

1. Electric Boot Lid Release. Lets you open your boot while still in your car. Has electrically operated control switch conveniently located for driver. Great for shoppers, sportsmen, travellers and businessmen.

2. Child Harness. For children aged 4 to 11 years. Specially designed restraining harness which stops children from moving around the car yet permits them to sit in comfort. Easy to fit. Easily adjustable. For rear seat only. Approved to Australian Standard 1754 Licence No. 237.

3. Venetian Shade (Sedans). Helps prevent harsh glare, and helps restrict entry of direct sunrays through rear window. Specially designed to blend with your vehicle's styling.

4. Venetian Shades (Wagons). Similar attributes as described for sedans. Kit comes with rear and side venetians.

5. Windscreen Shade Blind. Provides for more comfort by deflecting the sun's rays from the front seats and steering wheel. All you do is unroll it and with tabs provided, fit it inside your windscreen when you park. Made from durable reflective 'foil' on the outside. Can be conveniently stored in vehicle when not in use.

6. Fuel Tank Caps. Ask your Dealer to show you the range available.

7. Insect Screen. Designed to keep flying insects out of the radiator core and thereby to help prevent engine overheating. Strong nylon mesh construction. Easy to fit, and easy to remove for cleaning and storage when not required. Available

in two types; with or without provision for long-range driving lights. Recommended for country travelling.

8. Headlamp Guards. Attractive finish, corrosion-resistant fine steel mesh guards that not only look good, but help protect your headlamps from breakage caused by flying stones. Simple to fit. Recommended for country driving.

9. Bonnet Ornament. Adds a distinctive touch to your new Falcon GL, Fairmont or Fairmont Ghia. Spring-loaded to yield upon impact.

10. Dust Deflector. Helps to keep the rear window of your Wagon clear by directing dust and water away from the window. Black finish.

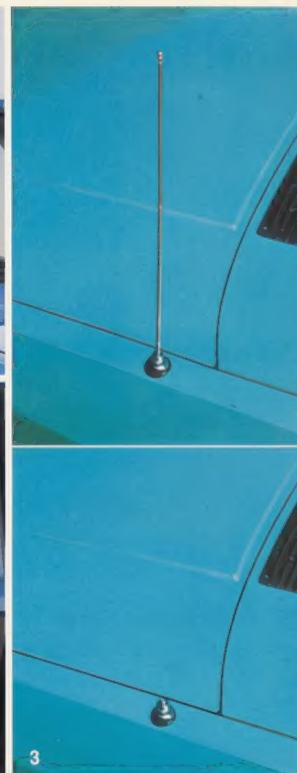

11. Rear Spoiler. Styled to complement Falcon's line and add a sporty touch. Also provides added stability

at cruising speeds. Wind-tunnel tested. Comes in black only, but may be painted to suit vehicle colour.

12. Tyre Pump. Nobody likes getting a 'flat', but if you do, this foot-operated unit takes a lot of the hassle out of pumping up your tyre. Very simple to use. Folds into a compact unit for stowing in your boot. Can really save you time and effort.

13. Rear Window Demister. Clears internal misting, and assists in clearing external frosting and light moisture from rear window to improve rear vision. Available for Wagons and Utilities when heated rear windows are not fitted as standard equipment.

14. Front Spoiler. Adds a 'sporty look' to your Falcon or Fairmont and provides extra air-flow deflection for additional stability.

...and even more, for your comfort and convenience!

1. Roof Racks. Ideal for taking bulky or long gear, often saving the need for a small trailer. Three types, all tastefully styled and of solid construction. For Sedans and Wagons: Rectangular steel tube construction with black low gloss finish, removable and easily dismantled for storage...heavy-duty carry bars, ideal for surfboards, skis or light industrial use. For Wagons only: A chrome-finish, permanently fixed rack.

2. Air Conditioning. One of the 'most wanted' accessories for added driver and passenger comfort. Fully integrated air conditioning designed to blend in with your car's interior. Multi-directional outlets provide a plentiful flow of cool air. Most importantly, 'Selectaire' air conditioners are the only accessory-type air conditioners for Falcon, Fairmont and

Fairmont Ghia recommended by Ford.

3. Motorised Radio Aerial. Electrically operated from within the car. By pressing a button you can raise, or lower, the aerial thus helping to reduce the risk of vandalism or other aerial damage. (Other aerials available: the normal/manual type, and a 'lock-down' aerial which comes with a special release key.)

4. Digital Clock. Contemporary styling and great accuracy. Bold face numerals give time in hours/minutes. Will also show month and day. Illuminated for easy reading. Requires minimal electric current from battery when the engine is off.

5. Floor Mats. To help protect your car's floor from rough wear. Choice of rubber or carpet. Available for front or rear, in your choice of Beige, Dusk,

Black or Brown to complement your interior colour scheme. Easily removed for convenient cleaning.

6. Alpine Horns. Sound a penetrating dual note that can be heard in emergency situations. Easily fitted. Finished in black enamel.

7. Lambswool Seat Covers. Thick, plush, natural lambswool seat covers to keep you warmer in winter, cooler in summer. You'll like sitting in them, and looking at them. Easy to fit. Available for both driver's and passenger's front seats in colours to harmonize with your interior: Parchment, White, Gold, Dusk and Bone.

8. 'Jumper' Leads. Invaluable for starting your car from another car battery if your battery runs flat. Copper cored. Grips are identified

for 'positive' and 'negative' terminals. Choice of medium or heavy-duty available. Recommended for all owners.

9. AM/FM Multiplex Stereo Radio With Cassette Tape Player. Fine stereo plus the convenience of a cassette tape player. Cassette player features a 'fast forward' and a 'fast rewind'. Radio features high FM usable sensitivity to pick up weak signals with less noise, more clarity and greater stability. Comes with two quality rear speakers. Twin front speaker kit can also be purchased where these are not fitted as standard equipment.

PLEASE NOTE: Ford Motor Company of Australia Limited and/or Ford Sales Company of Australia Limited reserve(s) the right, subject to the laws of Australia and/or any applicable State or Territory thereof and/or the regulations of any competent authority which may apply from time to time, at their or its discretion and without notice to discontinue or change the specifications, design and prices of the products referred to in this catalogue or to either permanently or temporarily withdraw any such items from the market at any time without incurring any liability whatsoever to any prospective purchaser or purchaser thereof.
